○ Practice Your Interview Skills Before Doing the Real Thing

Go to <https://flemingcollege.interviewstream.com> and register for an account

Fill in the blanks & click "Register"

On your homepage, select "Conduct an Interview" and choose "Custom" to create your own.

You can customize your own interview and search through questions from various areas of employment.

Once you have chosen your questions (maximum of 10 per interview), you can begin.

A connection test will be performed to ensure your computer's compatibility.

Make sure your webcam is in working order.
