

FLEMING

Social Connect Club for the Neurodiverse!

* Examples of neurodiversity include Autism, ADHD, learning disability, and mental health conditions.

ca.specialisterne.com/autism-and-neurodiversity

This club is an opportunity to:

- Foster a growth mindset while building skills, connections and relationships with peers in a supportive environment
- Explore topics related to college life, resilience, persistence, wellness, and communication
- Participate in games, arts and crafts, de-stress and have fun!

**Join the group on Thursdays at 12 p.m.
Reflection Room 158N**
