Dear Dr. Tilly

Letter in Recognition of Fleming College Fitness and Health Promotion & Recreation and Leisure Services Programmes

Hartpury College, Associate Faculty of the University of the West of England, welcomes applications from students of Fleming College, Ontario, for entry onto the one year BSc (Hons) Sports Studies 'top-up' programme delivered by Hartpury. This letter covers admissions from September 2014 to 1st March 2019.

In order for Fleming College students to be guaranteed an offer of study on this programme, they must have achieved either the Fitness & Health Promotion Diploma or the Recreation and Leisure Services Diploma and meet the normal entry requirements for the Bachelor Degree.

Prospective students will be required to make an application through the University and Colleges Admissions Service (UCAS).

Hartpury College request that they are informed of any changes that are made to the programmes named above in connection with content, delivery or modes of assessment as soon as these are identified. This will assist us in ensuring that programme compatibility and progression is maintained.

We very much look forward to working with Fleming College and welcoming your students to Hartpury in the future.

Yours sincerely

Russell Marchant, BSc, Cert Ed, MBA, FIAGR
Principal
