

**Sir Sandford Fleming College of Applied Arts and Technology  
and  
Trent University**

***Environmental Technology Advanced Diploma, OCUTG #1483  
Fish and Wildlife Technology Advanced Diploma, OCUTG #1488  
Ecosystem Management Technology Advanced Diploma, OCUTG #1487***  
to  
**Bachelor of Science (Honours) Environmental Resource Science**

***Terms of the Agreement***

- 1) Upon successful completion of the ***Environmental Technology, Fish and Wildlife Technology or Ecosystem Management*** three year advanced diploma programs at Fleming College, students with a minimum 75% overall average will be eligible to make application to the ***Environmental Resource Science*** program at Trent University, subject to capacity, for admission to the ***Bachelor of Science (Honours)*** degree program on an advanced standing basis.
- 2) Transfer credit will proceed in accordance with the following:
  - i) Trent University will grant direct entry and assign 10 credits, as outlined in Appendix A, Part I towards the successful completion of a 20-credit honours degree.
  - ii) Upon admission to the ***Bachelor of Science (Honours)*** program, students are required to follow the university and program regulations and requirements;
  - iii) Appendix A, Part II outlines the requirements to be met to achieve the ***Bachelor of Science (Honours)*** degree on a transfer basis.
  - iv) If a student transfers to a different degree program, all transfer credits outlined in this agreement may not apply to the new degree program. It is the student's responsibility to discuss his or her academic program requirements with an academic advisor and to notify the Registrar's Office of any program changes.
- 3) Students who meet the minimum average required for admission to the University as outlined in the academic calendar, but who do not meet the requirements of this articulation agreement, will be considered for admission to the Arts and Science program and for potential transfer credit eligibility, on an individual basis.

**Appendix A; Part I:**

**Qualified graduates of the programs listed below will receive 10 transfer credits as follows:**
