Dear David,

Re: Transfer Credit Articulation

Athabasca University faculty have reviewed the Pre-Health Sciences Pathway Program from Sir Sandford Fleming College and have determined that it is not eligible for block transfer credit toward the Bachelor of Professional Arts in Human Services at Athabasca University. A student who presents this certificate may have their course work assessed on a course by course basis.

For further information or clarification about this review please contact the Articulation Unit, in the Office of the Registrar, via email at: articulate@athabascau.ca.

Regards,

Helen Salzl
