**ARTICULATION AGREEMENT
RENEWAL**

BETWEEN

**The Sir Sandford Fleming College of Applied Arts and Technology
(Fleming College)**

AND

Trent University

NOVEMBER 2018

Fleming College's

Fish and Wildlife Technology Advanced Diploma Program

to

Trent University's

Bachelor of Science, Biology Honours Degree Program

This agreement establishes the principles, guidelines and procedures governing admission and assessment of selected qualified students to enter Trent University on an advanced standing basis, subsequent to the successful completion of Fleming College's Fish and Wildlife Technology Advanced Diploma program.

1. PURPOSE

- 1.1. The purpose of this agreement is to provide qualified graduates of Fleming College's Advanced Diploma program with a seamless option for continuing their education in the Bachelor of Science, Biology Honours degree program at Trent University.

2. ROLES AND RESPONSIBILITIES

2.1. Student Supports

Trent's program faculty will support incoming students by providing them with relevant information related to their program.

2.2. Admissions

The Admissions Office at Trent University will be responsible for ensuring that eligible students will be awarded credit transfers as stated in said agreement.

2.3. Recruitment and Marketing

Recruitment and Marketing representatives at Trent University will be responsible for promoting the articulation pathway and recruiting students.

2.4. Students

Through communication with program faculty and orientation sessions, students will be advised to consult academic advisors to ensure they are successfully completing program requirements.

3. TERMS AND CONDITIONS OF THE AGREEMENT

- 3.1. Graduates of the Fish and Wildlife Technology Advanced Diploma program from Fleming College will be granted 10.0 credits towards the 20.0 credit Bachelor of Science, Biology Honours Degree program at Trent University.
- 3.2. Upon successful admission to Trent University, students are required to complete an additional 10.0 credits to meet degree requirements.
- 3.3. Students who have graduated from Fleming College's Fish and Wildlife Technology advanced diploma program, who commenced studies since Fall 2016, will be awarded the full 10.0 transfer credits provided they meet Admission Requirements under Article 4.

4. ADMISSION REQUIREMENTS

4.1. To qualify for this agreement, students must have:

- successfully completed Fleming College’s Fish and Wildlife Technology Advanced Diploma; and
- a minimum overall average of 75%.

4.2. Students must meet all specific admission and enrollment standards and requirements for the program and will be accepted subject to capacity if applicable.

5. TRANSFER OF CREDITS

5.1. Students who are eligible, graduating from Fleming College’s Fish and Wildlife Technology Advanced Diploma program with a minimum average of 75%, will be granted 10.0 credits towards the successful completion of a 20.0 credit Bachelor of Science, Biology Honours degree program at Trent University. Credits will be transferred as follows:

Course equivalencies at Trent University	Credits received
0.5 BIOL 1020H – Foundations of Biodiversity	0.5
0.5 BIOL 2110H – Biology of Vertebrates	0.5

5.2. As these credits recognize areas covered in Fleming College’s Fish and Wildlife Technology Advanced Diploma program rather than one-to-one course equivalents, numerical grades will not be recorded on the Trent transcript. Completion of these credits will be recognized with a pass grade.

6. PROGRAM AND GRADUATION REQUIREMENTS

6.1. Upon admission to the Bachelor of Science at Trent, students must satisfy all general education, graduation and major requirements as outlined in the University’s undergraduate calendar. If a student does not have the foundation or skills to enroll in an upper level course because of a lack of the appropriate introductory course(s), any necessary prerequisite course(s) will be required.

6.2. If a student transfers to a different degree program, all transfer credits outlined in this agreement may not apply to the new degree program. It is the student’s responsibility to consult an academic advisor and to notify the Registrar’s Office of any program changes.

6.3. To satisfy the requirements of Trent's Bachelor of Science, Biology Honours Degree program, students will need to complete specific courses to meet program requirements in addition to the courses they have already been granted from Fleming College. Program requirements are subject to change annually and the Academic Calendar should be consulted for all degree requirements and regulations. www.trentu.ca/calendar.

- i. A maximum of 7.0 credits at the 1000 level;
- ii. 7.0 credits completed at the 3000 or 4000 level through both Bachelor of Science, Biology Honours Degree program requirements and general elective options;
- iii. An overall minimum average of 65% in Trent University courses to obtain an Honours degree;
- iv. A minimum of 0.5 credit from the Approved Indigenous Course List;
- v. A minimum of 14.0 science credits (including 0.5 Math credit).

6.5. The transfer credit received for WRIT 1001H fulfills the 0.5 humanities credit required for the Bachelor of Science, Biology Honours Degree program at Trent University.

6.6. Students must complete BIOL 1030H in the summer term at Trent University to ensure all necessary prerequisites are completed to enter program learning on an advanced standing.

Note: It is recommended that students transferring into the Bachelor of Science, Biology Honours Degree program at Trent University meet with an Academic Advisor at Trent University prior to completing any course selections.

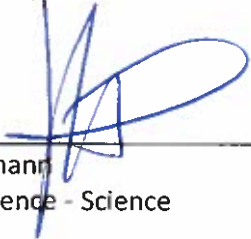

7. IMPLEMENTATION AND REVIEW

This agreement is subject to review whenever either party makes curricular changes that impact the agreement. When a change occurs, the program departments will notify their respective articulation designates so that the agreement can be updated. Articulation designates at each institution will review the agreement annually to ensure it is current. This Agreement may be terminated by either party. In this case, notice of one year is required. In the event of termination of the Agreement, every effort will be made to ensure that students currently enrolled in the program will not be affected.

8. ACCEPTANCE OF AGREEMENT

We, the undersigned, as the representatives of Trent University and Fleming College hereby demonstrate our commitment to full implementation of the Agreement.
