

ARTICULATION AGREEMENT

This Articulation Agreement is made the 30th day of November, 2018 (the “Effective Date”) between The University of Ontario Institute of Technology (“**UOIT**”) and The Sir Sandford Fleming College of Applied Arts and Technology (“**Fleming**”).

WHEREAS:

- A. It is the special mission of UOIT to provide career-oriented university programs and to design and offer programs to create opportunities for college graduates to obtain a university degree.
- B. It is the mission of Fleming to have graduates that will be recognized for exceptional knowledge, skills, attitudes and values on their lifelong journeys of learning and discovery.
- C. The goal of this Agreement is the creation of consistent, flexible, and seamless pathways to degree articulations and additional opportunities for students enrolled in approved programs at Fleming and UOIT.

The parties covenant and agree as follows:

1. INTERPRETATION

1.1 Definitions. In this Agreement (including the recitals hereof), the following capitalized terms shall have the following meanings, and similar capitalized terms shall have similar meanings: “**Agreement**” means this articulation agreement, as the same may be amended, restated, or modified from time to time, including each recital and Schedule or other attachment; “**Parties**” means UOIT and Fleming; “**Party**” means UOIT or Fleming, as applicable; “**Program**” means an academic program offered by UOIT or Fleming, respectively; “**Program Requirements**” means the requirements for admission into a Program as set forth in the regulations applicable to such Program; and “**Schedule**” means a document attached to or otherwise incorporated into this Agreement and described as such.

1.2 Construction. In this Agreement, (a) the division of this Agreement into Sections and the insertion of headings are for convenience only and shall not affect the construction or interpretation of this Agreement; (b) unless the context otherwise requires, words importing the singular number shall include the plural and vice-versa, words importing gender shall include all genders, “including” shall mean “including, without limitation,” and similar words shall have similar meanings; and (c) no rule that it be construed against the drafter shall have any application in its construction or interpretation.

2. PURPOSE AND OBJECTIVES

2.1 Purpose and Objectives. The purpose and objectives of this Agreement include: (a) delivering quality post-secondary programs and services in a manner and with a level of academic quality that is satisfactory to both UOIT and Fleming; (b) creating opportunities for Fleming students to transfer to UOIT for completion of a UOIT degree; (c) creating opportunities for UOIT students to complete post-graduate credentials at Fleming; (d) improving accessibility to, retention in, and graduation from post-secondary programs from students at both UOIT and Fleming; and (e) developing further communication and relationships for the development and delivery of high affinity and innovative programs.

3. ARTICULATION

3.1 **Application and Admission.** A student who wishes to apply for admission to a Program shall apply in the manner prescribed by the Party offering that Program. Each Program is subject to enrolment limitations, and admission to each Program will be at the sole discretion of the Party offering that Program, even where an applicant has satisfied all applicable Program Requirements and related requirements. Neither UOIT nor Fleming shall bear any responsibility for late, incomplete or deficient admission applications.

Successful applicants may be permitted to transfer certain credits granted by one Party to the other Party, in accordance with the Schedules that apply, from time to time, during the term of this Agreement.

3.2 **Undertakings Regarding Academic Aspects of the Program.** Each Party agrees:

- (a) to carry out its respective roles and responsibilities according to the process defined for each Program;
- (b) to share information regarding the academic status of students enrolled or applying for admission into a Program, provided that the prior written consent of the applicable student is obtained;
- (c) to evaluate its Program curriculum on a regular basis, as required, through the office of the Vice President Academic or an equivalent office, which evaluation will consist of examination by the Parties of (i) the possible or anticipated changes to courses in a Program; and (ii) Program admission procedures, time lines and special requirements; and
- (d) to facilitate changes mutually agreed to by the Parties, if any, to Programs and Program admission procedures, time lines and special requirements, in a timely fashion through their respective academic approval processes.

Nothing in this Agreement shall limit the right of either Party to effect changes to Programs, Program Requirements, and Program admission procedures without the approval of the other Party.

4. PROMOTION

4.1 **Promotion; Web Site Linking.** Each Party may promote the other Party's Programs to prospective qualified students in such a manner as the Parties shall agree upon from time to time. Each Party shall be permitted to link from its website to the other Party's website and Program pages in accordance with reasonable website terms and conditions of use in effect from time to time.

4.2 **Limited Purpose License.** During the term of this Agreement, each Party (for the purposes of this Section 4.2, a "Licensee") is granted a limited, non-transferable licence to display such trade-marks, trade names and logos (collectively the "Marks") of the other Party (for the purposes of this Section 4.2, a "Licensor"), in accordance with the policies established by the Licensor from time to time. The Licensee acknowledges that the Licensor has exclusive rights to the Marks and that use of the Marks shall be for the sole benefit of the Licensor. The Licensee acknowledges that its sole right with respect to the Marks is to display the Marks in accordance with the Licensee's policies in connection with the promotion of the Licensee's Programs. The Licensee shall not use the Marks in any manner which the Licensor, in its sole discretion, considers misleading or objectionable. Upon termination of this Agreement, the Licensee shall cease use of all such Marks in connection with the promotion of the Licensee's Programs. The Licensee undertakes to inform the Licensor forthwith of any

infringement of the Marks that comes to the Licensee's attention and to cooperate fully with the Licensor in any action the Licensor may take in respect of such infringement.

5. TERM, TERMINATION, AND AMENDMENT

5.1 Term and Termination of Agreement. Unless otherwise provided in a written agreement executed and delivered by all Parties, or a termination notice pursuant to Section 5.6, this Agreement shall automatically expire on the later of (a) the fifth anniversary of the Effective Date, and (b) the expiration or other termination of the last effective Schedule.

5.2 Effect of Termination of Agreement. Upon the termination of this Agreement, each Party shall forthwith, at its own cost and expense, (a) discontinue the display of any intellectual property belonging to the other Party, including the Marks and any material protected by copyright, and (b) return to the other Party all documents and publications in its possession belonging to the other Party.

5.3 Term and Termination of Schedules. Each Schedule shall be in effect for a period of five years, commencing on the Effective Date or the date that Schedule becomes a part of this Agreement, as applicable. A Schedule may be terminated by written notice given at least twelve months prior to the effective date of such termination, subject to the requirement that a Schedule terminate only on the day following the last day of a semester of the Party that offers the Program described in that Schedule.

5.4 Effect of Termination of Schedules. Notwithstanding the provisions of Section 3.1 herein, upon the termination of a Schedule, the Parties shall have no obligation to admit any additional student or graduate of the other Party, whether on a conditional basis or otherwise, or to grant credits toward the Program specified in that terminated Schedule.

5.5 Review/Change Mechanism. Modifications to existing Programs may range from individual course and curricular offerings, to minor program and regulation adjustments, to major program modifications (e.g. introduction of new specializations; altering learning outcomes). The Parties agree that (a) all such changes to UOIT Programs shall be in accordance with UOIT's Institutional Quality Assurance Process as found on UOIT's website; and (b) all such changes to Fleming Programs shall be in accordance with Fleming's Program Quality Assurance College Policy #2-213 and the Administrative Operating Procedures #2-213A and #2-213B and the Quality Assurance College Policy #2-220. A Schedule may be amended, or renewed for a period of up to five additional years, by agreement in writing, including by execution and delivery of an Articulation Agreement Change Form in a form substantially similar to Appendix "A".

5.6 Termination for Cause. Either Party may terminate this Agreement in its entirety, by written notice to the other Party, with immediate effect and without further liability, (a) in the case of a material breach of this Agreement which the other Party has failed to cure within 30 days after a notice specifying such breach, (b) if the other Party makes a general assignment for the benefit of its creditors, files a voluntary petition in bankruptcy or any petition or answer seeking, consenting to, or acquiescing in reorganization, arrangement, liquidation or other relief, or (c) if an involuntary petition in bankruptcy or other insolvency protection is filed against the other Party and not dismissed within 120 days.

6. INDEMNIFICATION AND LIABILITY

6.1 Indemnification. Each Party agrees to indemnify and hold harmless the other Party against claims, costs and suits on account of the indemnifying Party's willful misconduct or any negligent act or omission relating to or arising out of its performance under this Agreement.

6.2 Limitation of Liability. Notwithstanding anything to the contrary in this Agreement, under no circumstances will any Party, its employees, officers or directors, agents, successors or assigns be liable in contract, tort (including negligence) or under any other legal or equitable theory, for any special, incidental, punitive, exemplary, indirect or consequential costs or damages arising out of or relating in any way to the subject matter of this Agreement, whether or not that Party has been advised of the possibility of such damage or loss.

Except for obligations under Section 6.1 and Section 7.2, in no event shall the total cumulative liability of a Party for claims arising out of or relating to this Agreement exceed actual provable damages up to a maximum of \$5,000.00, regardless of the form or cause of action, whether in contract or tort, or a breach of a fundamental term or condition.

7. GENERAL

7.1 Relationship of Parties. Nothing in this Agreement shall be construed to constitute the Parties as a partner, joint venturer, franchisee or franchisor, agent or representative of the other Party for any purpose whatsoever. Neither Party is authorized to enter into agreements for or on behalf of the other Party, make representations, or otherwise bind the other Party.

7.2 Personal Information. The Parties acknowledge that they are each subject to the *Freedom of Information and Protection of Privacy Act*, R.S.O. 1990, C. F.31 ("FIPPA"). The Parties shall (i) treat all Personal Information (as defined by FIPPA) received by it in connection with this Agreement as required by FIPPA; and (ii) assume liability for any breach of FIPPA by it or its governors, directors, officers, employees, agents and contractors relating to such Personal Information.

7.3 Notices; Other Communications. Any notice to a Party pursuant to this Agreement shall be in writing and delivered by personal delivery or commercial courier to the address for that Party as set forth below, or to another address specified in a previous notice:

If to UOIT: 2000 Simcoe Street North,
Oshawa, ON L1G 0C5
Attn: Provost and VP Academic

If to Fleming: 599 Brealey Drive
Peterborough, ON K9J 7B1
Attn: Vice President Academic

With a copy to:

2000 Simcoe Street North
Oshawa, ON L1G 0C5
Attn: Centre for Institutional Quality Enhancement

Other communications may be delivered by e-mail, campus mail, post, personal delivery, or commercial courier to the address for that Party as set forth below, or to another address specified by the applicable Party:

If to 2000 Simcoe Street North,
UOIT: Oshawa, ON L1G 0C5
 Attn: Centre for Institutional
 Quality Enhancement
 Email: cique@uoit.ca

If to 599 Brealey Drive
Fleming: Peterborough, ON K9J 7B1
 Attn: Academic Quality, Planning, and
 Partnerships
 Email: molly.westland@flamingcollege.ca

7.4 Waiver, Modification - Requirement of Writing. No waiver, modification or cancellation of any provision of this Agreement or of any breach of any provision of this Agreement, shall be effective unless executed in writing. No waiver shall excuse the performance of any act other than the act specifically referred to in such waiver. No assent to or waiver of any breach of any one or more of the covenants and agreements contained in this Agreement, whether such assent or waiver be expressed or implied, shall be deemed to be taken to be a waiver of any succeeding breach.

7.5 Successors and Assigns. This Agreement binds and benefits the Parties and their respective heirs, executors, administrators, successors and assigns. Neither Party may assign any rights or obligations under this Agreement without the prior written consent of the other Party.

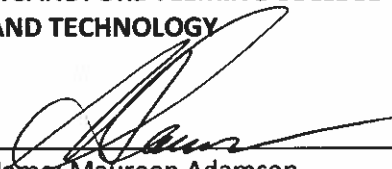

7.6 Entire Agreement; Severability. This Agreement constitutes the entire agreement between the Parties with respect to its subject matter, and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, in that regard. There are no warranties, representations, covenants or other agreements between the Parties with respect to the subject matter of this Agreement, except as specifically set forth in this Agreement. If any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected or impaired in any way.

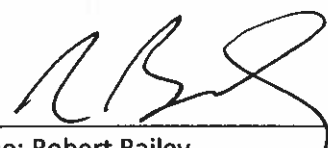

7.7 Governing Law; Forum. This Agreement is made in the Province of Ontario and shall be governed by, and construed and interpreted in accordance with, the laws of the Province of Ontario and the laws of Canada applicable in that Province, without regard to its conflicts of law principles. Each Party attorns to the non-exclusive jurisdiction of the Courts of the Province of Ontario.

7.8 Counterparts; Electronic Execution or Delivery. This Agreement may be executed or delivered electronically or in any number of counterparts, each of which shall be deemed an original, but which together shall constitute one and the same agreement.

IN WITNESS WHEREOF this Agreement has been executed by the Parties as of the date first above written.

PROGRAM 1.3: LEGAL STUDIES – ADVANCED ENTRY 27

PROGRAM 1.4: POLITICAL SCIENCE – ADVANCED ENTRY 28

APPENDIX A: ARTICULATION AGREEMENT CHANGE FORM..... 30

SCHEDULE A
PROGRAM 1.1

Program of Study: Commerce – Advanced Entry
 UOIT Faculty: Business and Information Technology
 UOIT Degree: Bachelor of Commerce (Honours)
 Year of Implementation: September 2012

Fleming Requisite Program

Any Ontario College Advanced diploma in Business Administration (3-year).

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website utilizing the code 'DBR'. The full-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Commerce (Honours) program.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student will receive 60 credit hours as transfer credit toward the UOIT program. Specific credits will be awarded to correctly reflect the student's previous academic credential. Lists of specific credits will be on-file within the Registrar's Office. It is advised that the student discuss his or her transfer credits with the applicable Faculty. Depending on their college curriculum, the student may have the opportunity to enter directly into the major which most closely matches their college program of study. A student who is ineligible to be admitted directly to a major will enter the comprehensive program.

The above transfer credits are equivalent to 2 years of full-time study, or 20 courses out of a 40-course honours degree, within the Bachelor of Commerce (Honours).

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the September (fall semester) start. A student can complete the Bachelor of Commerce (Honours) degree, using the following schedule, assuming full-time studies:

Year	1			2	
	S1	S2	S3	S1	S2
Semester					
Credit Hours	15.00	15.00		15.00	15.00
(Number of Courses)	(5)	(5)		(5)	(5)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

SCHEDULE A
PROGRAM 1.2

Program of Study: Commerce Bridge
UOIT Faculty: Business and Information Technology
UOIT Degree: Bachelor of Commerce (Honours)
Year of Implementation: September 2012

Fleming Requisite Programs

- Any Ontario College business diploma (2-year); or
- Any 2-year non-business Ontario College diploma; or
- Any 3-year non-business Ontario College Advanced diploma.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DBB' for in person or 'DBO*' for online. There are two full time intakes: May (spring/summer semester) start and September (fall semester) start.

*Spring/Summer semester only.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Commerce (Honours) Bridge program.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student shall complete, in good standing, 15 credit hours (5 courses) of bridge courses specific to the student's previous academic credential. Bridge course requirements will be communicated to the student prior to registration. The student shall also satisfactorily complete all matriculation requirements as stated in the UOIT Undergraduate Academic Calendar.

Upon successful completion of required courses and matriculation requirements:

- (a) The student will be entitled to continue into the Bachelor of Commerce (Honours) degree; and
- (b) Will be granted 45 credit hours as transfer credits toward the UOIT program.

Specific transfer credits will be awarded to correctly reflect the student's previous academic credential. Lists of specific credits will be on-file within the Registrar's Office. It is advised that the student discuss his or her transfer credits with the applicable Faculty. Depending on their college curriculum, the student may have the opportunity to enter directly into the major which most closely matches their college program of study. A student who is ineligible to be admitted directly to a major will enter the comprehensive program.

The above transfer credits are equivalent to one and one-half years of full-time study, or 15 courses out of a 40 course honours degree, within the Bachelor of Commerce (Honours).

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the May (spring/summer) start. Including the bridge semester, a student can complete the Bachelor of Commerce (Honours) degree, using the following schedule, assuming full-time studies:

Year	1			2		
Semester	S3*	S1	S2	S3	S1	S2
Credit Hours	15.00	15.00	15.00		15.00	15.00
(Number of Courses)	(5)	(5)	(5)		(5)	(5)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

* The required bridge courses are taken during this semester

SCHEDULE A
PROGRAM 2.1

Program of Study: Information Technology Security Bridge
UOIT Faculty: Business and Information Technology
UOIT Degree: Bachelor of Information Technology (Honours)
Year of Implementation: September 2012

Fleming Requisite Programs

Ontario College diploma (2-year) in Computer Engineering Technician; or

Ontario College Advanced diploma (3-year) in Computer Engineering Technology.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website utilizing the code 'DIB'. The full-time intake is a May (spring/summer semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Information Technology (Honours) program.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The students shall complete, in good standing, 12-15 credit hours (3-5 courses) of bridge courses specific to the student's previous academic credential. Bridge course requirements will be communicated to the student prior to registration. The student shall also satisfactorily complete all matriculation requirements as stated in the UOIT Undergraduate Academic Calendar.

Upon successful completion of required courses and matriculation requirements:

- (a) The student will be entitled to continue into the Bachelor of Information Technology (Honours) degree, with a specialization in Information Technology Security; and
- (b) Will be granted 45 credit hours, if coming from an Ontario College diploma, as transfer credits toward the UOIT program.

The above transfer credits are equivalent to one and one-half years of full-time study, or 15 courses out of a 40 course honours degree, within the Bachelor of Information Technology (Honours); or.

- (c) Will be granted 51 credit hours, if coming from an Ontario College Advanced diploma, as transfer credits toward the UOIT program

The above transfer credits are equivalent to approximately one and one-half years of full-time study, or 17 courses out of a 40 course honours degree, within the Bachelor of Information Technology (Honours).

It is advised that the student discuss his or her transfer credits with the applicable Faculty.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the May (spring/summer) start. Including the bridge semester, a student can complete the Bachelor of Information Technology (Honours) degree, with a specialization in Information Technology Security, using the following schedule, assuming full-time studies:

Year	1			2		
Semester	S3*	S1	S2	S3	S1	S2
Credit Hours	15.00	15.00	15.00		15.00	15.00
(Number of Courses)	(5)	(5)	(5)		(5)	(5)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

* The required bridge courses are taken during this semester.

SCHEDULE B
PROGRAM 1.1

Program of Study: Educational Studies and Digital Technology – Advanced Entry
 UOIT Faculty: Education
 UOIT Degree: Bachelor of Arts (Honours)
 Year of Implementation: September 2012

Fleming Requisite Programs

- Any Ontario College diploma (2-year); or
- Any Ontario College Advanced diploma (3-year).

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DSV'. The full-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Arts (Honours) with a specialization in Early Childhood Studies or Adult Education and Digital Technology.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student will receive 60 credit hours as transfer credits toward the Bachelor of Arts (Honours) with a specialization in Early Childhood Studies or Adult Education and Digital Technology. The above transfer credits are equivalent to 2 years of full-time study, or 20 courses out of a 40-course honours degree, within the Bachelor of Arts (Honours) in Educational Studies and Digital Technology.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

A student can complete the Bachelor of Arts (Honours) Educational Studies and Digital Technology degree, using the following schedule, assuming full-time studies:

Year	1			2	
Semester	S1	S2	S3	S1	S2
Credit Hours	15.00	15.00		15.00	15.00
(Number of Courses)	(5)	(5)		(5)	(5)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

SCHEDULE B
PROGRAM 2.1

Program of Study: Designing Adult Learning for the Digital Age
UOIT Faculty: Education
UOIT Degree: Undergraduate Diploma
Year of Implementation: September 2016

Fleming Requisite Programs

Any Ontario College diploma (2-year) or Ontario College Advanced diploma (3-year).

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DOD'. The full-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B-" (70-73%) for admission consideration into the Undergraduate Diploma in Designing Adult Learning for the Digital Age.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student will not receive transfer credit towards the Undergraduate Diploma in Designing Adult Learning for the Digital Age.

Time Frame

A student can complete the Undergraduate Diploma in Designing Adult Learning for the Digital Age, using the following schedule, assuming full-time studies:

Year	1	
Semester	S1	S2
Credit Hours	9.00	9.00
(Number of Courses)	(3)	(3)

S1 = Semester 1 (fall); S2 = Semester 2 (winter);

SCHEDULE C
PROGRAM 1.1

Program of Study: Allied Health Sciences Bridge
UOIT Faculty: Health Sciences
UOIT Degree: Bachelor of Allied Health Sciences (Honours)
Year of Implementation: September 2012

Fleming Requisite Programs

Ontario College diploma (2-year) in the following disciplines:

- Health Information Management; or
- Occupational Therapist Assistant and Physiotherapist Assistant; or
- Paramedic; or
- Pharmacy Technician; or
- Practical Nursing; or

Ontario College Advanced diploma (3-year) in the following disciplines:

- Biotechnology – Advanced; or
- Massage Therapy.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DHA'. The program is offered part-time only. The part-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B-" (70-72%) for admission consideration into the Bachelor of Allied Health Sciences (Honours).
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student shall complete, in good standing, 6 credit hours (2 courses) of bridge courses specific to the students' previous academic credential. Bridge course requirements are listed in the Undergraduate Academic Calendar. The student shall also satisfactorily complete all matriculation requirements as stated in the UOIT Undergraduate Academic Calendar.

Upon successful completion of required courses and matriculation requirements:

- (a) The student will be entitled to continue into the Bachelor of Allied Health Sciences (Honours); and
- (b) Will be granted 57 credit hours as transfer credits toward the UOIT program.

The above transfer credits are equivalent to 19 courses out of a 40 course honours degree, within the Bachelor of Allied Health Sciences (Honours). It is advised that the student discuss his or her transfer credits with the applicable Faculty.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the September (fall semester) start. Including the bridge semester, a student can complete the Bachelor of Allied Health Sciences (Honours) degree, using the following schedule, assuming part-time studies:

Year	1			2			3			4	
Semester	S1	S2	S3	S1	S2	S3	S1	S2	S3	S1	S2
Credit Hours (Number of Courses)	6.00 (2)	6.00 (2)	3.00 (1)	6.00 (2)	6.00 (2)	6.00 (2)	6.00 (2)	6.00 (2)	6.00 (2)	6.00 (2)	6.00 (2)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

SCHEDULE C
PROGRAM 2.1

Program of Study: Kinesiology – Advanced Entry Fitness and Health Promotion
 UOIT Faculty: Health Sciences
 UOIT Degree: Bachelor of Health Sciences (Honours)
 Year of Implementation: September 2012

Fleming Requisite Program

Ontario College diploma (2-year) in Fitness and Health Promotion.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DKD'. The full-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student will receive 33 credit hours as transfer credits toward the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness. Specific credits may be awarded to correctly reflect the student's previous academic credential and years of study. Lists of specific credits will be on-file within the Registrar's Office. It is advised that the student discuss his or her transfer credits with the applicable Faculty.

The above transfer credits are equivalent to 11 courses out of a 40-course honours degree, within the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

A student can complete the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a Health and Wellness specialization, using the following schedule, assuming full-time studies:

Year	1			2			3		
Semester	S1	S2	S3	S1	S2	S3	S1	S2	S3
Credit Hours	12.00	15.00		15.00	15.00		15.00	15.00	
(Number of Courses)	(4)	(5)		(5)	(5)		(5)	(5)	

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

SCHEDULE C
PROGRAM 2.2

Program of Study: Kinesiology – Advanced Entry Occupational Therapist Assistant/Physiotherapist Assistant
 UOIT Faculty: Health Sciences
 UOIT Degree: Bachelor of Health Sciences (Honours)
 Year of Implementation: September 2017

Fleming Requisite Program

Ontario College diploma (2-year) in Occupational Therapist Assistant and Physiotherapist Assistant.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DKO'. The full-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The students will receive 30 credit hours as transfer credits toward the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness. Specific credits may be awarded to correctly reflect the student's previous academic credential and years of study. Lists of specific credits will be on-file within the Registrar's Office. It is advised that the student discuss his or her transfer credits with the applicable Faculty.

The above transfer credits are equivalent to 10 courses out of a 40-course honours degree, within the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

A student can complete the Bachelor of Health Sciences (Honours) with a Major in Kinesiology, with or without a specialization in Health and Wellness, using the following schedule, assuming full-time studies:

Year	1			2			3		
Semester	S1	S2	S3	S1	S2	S3	S1	S2	S3
Credit Hours	15.00	15.00		15.00	15.00		15.00	15.00	
(Number of Courses)	(5)	(5)		(5)	(5)		(5)	(5)	

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

SCHEDULE C
PROGRAM 2.3

Program of Study: Medical Laboratory Science Bridge
UOIT Faculty: Health Sciences
UOIT Degree: Bachelor of Health Sciences (Honours)
Year of Implementation: September 2015

Fleming Requisite Program

Ontario College Advanced diploma (3-year) in Biotechnology – Advanced.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DHM'. The full-time intake is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B+" (77-79%) for admission consideration into the Bachelor of Health Sciences (Honours) with a Major in Medical Laboratory Science.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.
- (c) A successful applicant will be required to present a comprehensive Human Anatomy and Physiology course at the college or university level prior to enrollment in the UOIT program. Acceptable courses are listed in the Undergraduate Academic Calendar.

Credit Transfer Agreement

The students shall complete, in good standing, 3 credit hours (1 course) of bridge courses specific to the student's previous academic credential. Bridge course requirements will be communicated to the student prior to registration. The student shall also satisfactorily complete all matriculation requirements as stated in the UOIT Undergraduate Academic Calendar.

Upon successful completion of required courses and matriculation requirements:

- (a) The student will be entitled to continue into the Bachelor of Health Sciences (Honours) with a Major in Medical Laboratory Science; and
- (b) Will be granted 39 credit hours as transfer credits toward the UOIT program.

The above transfer credits are equivalent to 13 courses out of a 40 course honours degree, within the Bachelor of Health Sciences (Honours) with a Major in Medical Laboratory Science. It is advised that the student discuss his or her transfer credits with the applicable Faculty.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the September (fall semester) start. Including the bridge semester, a student can complete the Bachelor of Health Sciences (Honours) with a Major in Medical Laboratory Science, using the following schedule, assuming full-time studies:

Year	1			2			3		
Semester	S1	S2	S3	S1	S2	S3	S1	S2	S3
Credit Hours (Number of Courses)	15.00 (5)	15.00 (5)		15.00 (5)	12.00 (4)		15.00 (5)	15.00 (5)	

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

SCHEDULE C
PROGRAM 3.1

Program of Study: Post-RPN to BScN Bridge
UOIT Faculty: Health Sciences
UOIT Degree: Bachelor of Science in Nursing (Honours)
Year of Implementation: September 2012

Fleming Requisite Program

Ontario College diploma (2-year) in Practical Nursing.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website using the code 'DHR' for the program in collaboration with Durham College in Oshawa. The applicant who wishes to apply for this program in collaboration with Georgian College in Barrie, on a full-time basis only, must use the program code 'DHB'. The intake available is a September (fall semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "A-" (80-82%) for admission consideration into the Bachelor of Science in Nursing (Honours) – Post-RPN program. In addition, applicant must hold a current certificate of competence with no restrictions from the College of Nurses of Ontario.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The student shall complete, in good standing, 9 credit hours (3 courses) of bridge courses specific to the student's previous academic credential. Bridge course requirements will be communicated to the student prior to registration. The student shall also satisfactorily complete all matriculation requirements as stated in the UOIT Undergraduate Academic Calendar.

Upon successful completion of required courses and matriculation requirements:

- (a) The student will be entitled to continue into the Bachelor of Science in Nursing (Honours) – Post-RPN program; and
- (b) Will be granted 33 credit hours as transfer credits toward the UOIT program.

The above transfer credits are equivalent to 11 courses out of a 40 course honours degree, within the Bachelor of Science in Nursing (Honours) – Post-RPN program. It is advised that the student discuss his or her transfer credits with the applicable Faculty.

If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the September (fall semester) start. Including the bridge semester, a student can complete the Bachelor of Science in Nursing (Honours) – Post-RPN program, using the following schedule, assuming full-time studies:

Year	1			2			3	
Semester	S1*	S2	S3**	S1	S2	S3**	S1	S2**
Credit Hours (Number of Courses)	9.00 (3)	15.00 (5)	6.00 (2)	15.00 (5)	15.00 (5)	6.00 (2)	12.00 (4)	9.00 (3)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

* The required bridge courses are taken during this semester.

** Designated as consolidation semesters. It is during this time that required practicum hours are to be completed. Students may find that due to practicum requirements, they will not be on campus during this time.

SCHEDULE D
PROGRAM 1.1

Program of Study: Criminology and Justice – Advanced Entry
UOIT Faculty: Social Science and Humanities

Title: Manager, Quality Enhancement

I have authority to bind UOIT.

**APPENDIX 1
SCHEDULE A
PROGRAM 2.1**

Program of Study: Information Technology Security Bridge
UOIT Faculty: Business and Information Technology
UOIT Degree: Bachelor of Information Technology (Honours)
Year of Implementation: September 2012

Fleming Requisite Programs

Ontario College diploma (2-year) in Computer Engineering Technician; or

Ontario College Advanced diploma (3-year) in in the following disciplines:

- Computer Engineering Technology; or
- Computer Security and Investigations.

Application Procedures and Natural Intake

The applicant will apply through the Ontario Universities' Application Centre (OUAC) website utilizing the code 'DIB'. The full-time intake is a May (spring/summer semester) start.

Admission Requirements

- (a) Applicant shall be a graduate of a requisite program with a minimum average of "B" (73-76%) for admission consideration into the Bachelor of Information Technology (Honours) program.
- (b) Applicant will be evaluated for admission to the UOIT program, recognizing that admission based on minimum admission requirements is not guaranteed, and that UOIT will give preference to the applicants with the best qualifications.

Credit Transfer Agreement

The students shall complete, in good standing, 12-15 credit hours (3-5 courses) of bridge courses specific to the student's previous academic credential. Bridge course requirements will be communicated to the student prior to registration. The student shall also satisfactorily complete all matriculation requirements as stated in the UOIT Undergraduate Academic Calendar.

Upon successful completion of required courses and matriculation requirements:

- (a) The student will be entitled to continue into the Bachelor of Information Technology (Honours) degree, with a specialization in Information Technology Security; and
- (b) Will be granted 45 credit hours, if coming from an Ontario College diploma, as transfer credits toward the UOIT program.

The above transfer credits are equivalent to one and one-half years of full-time study, or 15 courses out of a 40 course honours degree, within the Bachelor of Information Technology (Honours); or.

- (c) Will be granted 51 credit hours, if coming from an Ontario College Advanced diploma, as transfer credits toward the UOIT program

The above transfer credits are equivalent to approximately one and one-half years of full-time study, or 17 courses out of a 40 course honours degree, within the Bachelor of Information Technology (Honours).

It is advised that the student discuss his or her transfer credits with the applicable Faculty. If a student changes into another degree program, all transfer credits detailed in this agreement will not apply. Prior to changing degree program, it is advised that the student discuss his or her academic program requirements with the applicable academic advisor.

Time Frame

The following information demonstrates the time frame for the May (spring/summer) start. Including the bridge semester, a student can complete the Bachelor of Information Technology (Honours) degree, with a specialization in Information Technology Security, using the following schedule, assuming full-time studies:

Year	1			2		
Semester	S3*	S1	S2	S3	S1	S2
Credit Hours	15.00	15.00	15.00		15.00	15.00
(Number of Courses)	(5)	(5)	(5)		(5)	(5)

S1 = Semester 1 (fall); S2 = Semester 2 (winter); S3 = Semester 3 (spring/summer)

* The required bridge courses are taken during this semester.
