

# Memorandum of Agreement

Be it known by those present that we two Institutions of Higher Learning, namely, Nova Scotia Community College, Nova Scotia and Sir Sandford Fleming College of Applied Arts and Technology, of Peterborough, Ontario have entered into an agreement of mutual co-operation and education in order to further strengthen the academic and fraternal interaction between our two Institutions.

*The principal objectives of these arrangements will include:*

- (I) The sharing of the knowledge related to the programs taught at our respective institutions, and;
- (II) The facilitation of faculty and student exchanges, and;
- (III) The encouragement of joint consultation on program design, course curriculum, administrative systems and other areas of mutual interest, and;
- (IV) The provision for opportunities to undertake research and analysis on matters of mutual interest, and;
- (V) The exchange of best practices to assist both organizations to be world class learning focused post secondary Institutions.

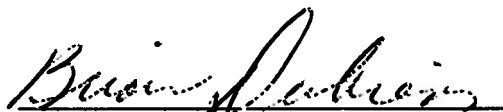

The existence of this Agreement will not create (or imply the creation of) any financial obligations for either institution.

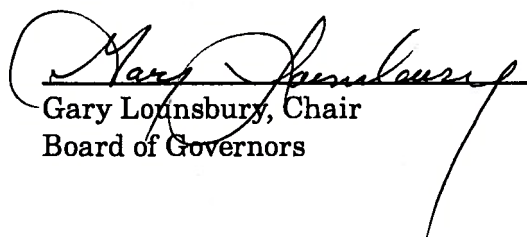

## In recognition of these and other activities of mutual benefit

Implemented by us to the extent that our available resources will permit, this Memorandum of Agreement is endorsed and approved by the Board of Governors of Sir Sandford Fleming College of Applied Arts and Technology and the Board of Governors of Nova Scotia Community College, who have empowered their officers to affix their hands and seals below.

Dated at Ontario, this 1st day of June, 2004.
