Re: Suspension of the Ontario College Advanced Diploma in Business Administration – Accounting (#1480), Business Administration – Human Resources Management (#1481), and Business Administration – Marketing (#1482).

Dear Ms. Wright,

This letter serves as official notice that the College has suspended the **Ontario College Advanced Diploma in Business Administration – Accounting, the Ontario College Advanced Diploma in Business Administration – Human Resources Management, and the Ontario College Advanced Diploma in Business Administration – Marketing**. The final cohort was admitted into the programs January 2020 and June 2022 is their natural graduate date.

As stated in the Review of Agreement clause:

Review of Agreement

This revised agreement replaces the original agreement signed in 2000 and updated in March, 2004. The Agreement will be reviewed every three years, or sooner in the event of major curriculum changes in either partner's program. This Agreement may be terminated by either party. In this case, notice of one year is required. In the event of termination of the Agreement, every effort will be made to ensure that students currently enrolled in the program will not be affected.

The College would like to request that Agreements, #1480, #1481, and #1482, be renewed to align with current College curricula ensuring a seamless transfer for those participating students.

Further, the College would like to inform you that we are offering an Ontario College Diploma in Business and an Ontario College Diploma in Business – Human Resources. We would like to begin an exploratory conversation to develop agreements from these programs that closely resembles that of the Ontario College Diploma in Accounting (#4761) Agreement.

Sincerely,

Tom Phillips, Ph.D,
Vice President, Academic Experience
