Dear Susan:

Re: Transfer Credit Articulation

Athabasca University faculty have reviewed the Culinary Management 2 Year Diploma Program from Sir Sandford Fleming College and have determined that it is not eligible for block transfer credit toward the Bachelor of Commerce (Post Diploma) Program and Bachelor of Management (Post Diploma) Program at Athabasca University. A student who presents one of these diplomas may have their course work assessed on a course by course basis toward the Bachelor of Commerce regular route and Bachelor of Management Program.

For further information or clarification about this review please contact the Articulation Unit, in the Office of the Registrar, via email at: [articulate@athabascau.ca](mailto:articulate@athabascau.ca).

Regards,
