- 6.2. If a student transfers to a different degree program, all transfer credits outlined in this agreement may not apply to the new degree program. It is the student’s responsibility to consult an academic advisor, and to notify the Registrar’s Office of any program changes.

6.3. To satisfy the requirements of Trent’s Bachelor of Arts (Honours) degree with the Teacher Education Stream, students will need to complete specific courses to meet program requirements in addition to the courses they have already been granted from Fleming College. In order to fulfill all program and teachable requirements, students may be required to complete additional credits.

Consultation with an academic advisor is strongly recommended.

- iii. At least 0.5 credit from the Approved Indigenous Course List;

- iv. 7.0 credits completed at the 3000 or 4000 level through both program requirements and general elective options;
- v. An overall minimum average of 65% in Trent University courses to obtain an honours degree;
- vi. The maximum credits in a discipline that can count towards the degree is 13.0.

Note: It is recommended that students transferring into the Bachelor of Arts (Honours) with the Teacher Education Stream meet with an Academic Advisor at Trent University prior to completing any course selections.

7. IMPLEMENTATION AND REVIEW

This agreement is subject to review whenever either party makes curricular changes that impact the agreement. When a change occurs, the program departments will notify their respective articulation designates so that the agreement can be updated. Articulation designates at each institution will review the agreement annually to ensure it is current. This agreement may be terminated by either party. In this case, notice of one year is required. In the event of termination of the agreement, every effort will be made to ensure that students currently enrolled in the program will not be affected.
