Dear Carol

Letter in Recognition of Fleming College Recreation and Leisure Services Programme

Hartpury College, Associate Faculty of the University of the West of England, welcomes applications from students of Fleming College, Ontario, for entry onto the one year BSc (Hons) Sports Studies 'top-up' programme delivered by Hartpury from September 2016 to 1st March 2019.

In order for Fleming College students to be guaranteed an offer of study on this programme, they must have achieved the Recreation & Leisure Services Diploma and meet the normal entry requirements for the Bachelor Degree.

Applicants will be required to make an application through the University and Colleges Admissions Service (UCAS).

Hartpury College request that they are informed of any changes that are made to the programme named above in connection with content, delivery or modes of assessment as soon as these are identified. This will assist us in ensuring that programme compatibility and progression is maintained.

We very much look forward to working with Fleming College and welcoming your students to Hartpury College in the future.

Yours sincerely
