Fleming College's

Social Service Worker Diploma Program

to

Trent University's

Bachelor of Social Work Program

This agreement establishes the principles, guidelines, and procedures governing admission and assessment of selected qualified students to enter Trent University on an advanced standing basis, subsequent to the successful completion of Fleming College's Social Service Worker two-year diploma program.

1. PURPOSE

- 1.1. The purpose of this agreement is to provide qualified graduates of Fleming College's Ontario College Social Service Worker program with a seamless option for continuing their education at Trent University in the Bachelor of Social Work Program at Trent University. It is important to note that entry into third year of the Bachelor of Social Work Program includes an additional application process. Admission to the Professional Years is very competitive. Students who are not accepted into third year will need to choose another major, continue their studies at Trent and will have access to Academic Advisors for assistance.

2. ROLES AND RESPONSIBILITIES

2.1. Student Supports

Trent's program faculty will support incoming students by providing them with relevant information related to their program, particularly the admission process for year 3 of the program.

2.2. Admissions

The Admissions Office at Trent University will be responsible for ensuring that eligible students will be awarded credit transfers as stated in said agreement.

2.3. Recruitment and Marketing

Recruitment and marketing representatives at Trent University will be responsible for promoting the articulation pathway, recruiting students, and providing the necessary orientation as students move from one institution to the other.

2.4. Students

Through communication with program faculty and orientation sessions, students will be advised to consult academic advisors to ensure they are successfully completing program requirements, particularly the requirements to apply for year 3 of the program.

3. TERMS AND CONDITIONS OF THE AGREEMENT

- 3.1. Graduates of Fleming’s Ontario College Social Service Worker Diploma program will be granted 6.0 credits towards a four-year Bachelor of Social Work Degree at Trent University.
- 3.2. This agreement accepts students into year two of the Bachelor of Social Work Program. Students, who are not accepted, will be able to choose an alternative major to continue with their university studies. The transfer credits awarded to a student through this agreement will remain with the student in their alternate program of study. Students, who are not accepted, will be able to complete either a general or honours degree at Trent University in an alternate program. This is subject to specific program regulation.
- 3.3. See appendix 1.0 for transfer credits assigned for graduates of the Ontario College Social Service Worker Diploma program at Fleming College prior to the installation of the agreement granting entrance to students beginning in Fall 2016 under the terms of the articulation.
