

HARTPURY

UNIVERSITY

13th October 2021

FROM THE VICE-CHANCELLOR'S OFFICE

Dr. Stephanie Dimech, Vice President, Academic Experience and Chief Learning Officer
Fleming College
599 Brealey Drive 200 Albert St S
Peterborough, ON K9J 7B1
Canada

Dear Dr Dimech,

Letter in Recognition of Fleming College Fish & Wildlife Technician, Fish & Wildlife Technology and Conservation Biology diplomas

Hartpury University welcomes applications from students of Fleming College, Ontario, for advanced entry onto the BSc (Hons) Zoology degree programme delivered by Hartpury. This letter covers admissions from 2021 until 1st October 2026.

In order for Fleming College students to be guaranteed an offer of study on this programme, they must have achieved a pass rate in any of the following:

- Fish and Wildlife Technician – Ontario College Diploma (2-year)
- Fish and Wildlife Technology – Ontario College Advanced Diploma (3-year)
- Conservation Biology – Ontario College Diploma (2-year)

Under normal circumstances, such Fleming College graduates will be admitted at Level 6 (Year 3) of the BSc (Hons) Zoology degree. This means that they will graduate from Hartpury in one further year of academic study.

Prospective students will be required to make an application through a direct application form, which can be accessed via the Hartpury website homepage www.hartpury.ac.uk

Hartpury University request that they are informed of any changes that are made to the Fleming programmes named above in connection with content, delivery or modes of assessment as soon as these are identified. This will assist us in ensuring that programme compatibility and progression is maintained.

We very much look forward to working with Fleming College and welcoming your students to Hartpury in the future.

Yours sincerely

Russell Marchant
Vice-Chancellor & CEO
