

**Sir Sanford Fleming College of Applied Arts and Technology
and Trent University**

***Fish and Wildlife Technology Advanced Diploma Program*
to
Bachelor of Science (Honours), Biology, OCUTG # 1489**

Terms of the Agreement

- 1) Upon successful completion of the *Fish and Wildlife Technology* 3 year advanced diploma program at Fleming College, students with a minimum 75% overall average will be eligible to make application to Trent University for admission to the *Bachelor of Science (Honours) - Biology* degree program on an advanced standing basis.
- 2) Transfer credit will proceed in accordance with the following
 - i) Trent University will grant direct entry and assign 10 credits, as outlined in Appendix A Part I towards the successful completion of a 20-credit honours degree.
 - ii) Upon admission to the *Bachelor of Science (Honours) - Biology* Program, students are required to follow the university and program regulations and requirements;
 - iii) Appendix A Part II outlines the requirements to be met to achieve the *Bachelor of Science (Honours) - Biology* degree on a transfer basis.
 - iv) If a student transfers to a different degree program, all transfer credits outlined in this agreement may not apply to the new degree program. It is the student's responsibility to discuss their academic program requirements with an academic advisor and to notify the Registrar's Office of any program changes.
- 3) Students who meet the minimum average required for admission to the University as outlined in the academic calendar, but who do not meet the requirements of this articulation agreement, will be considered for admission to the Arts and Science program and for potential transfer credit eligibility, on an individual basis.

Appendix A Part I:

Qualified graduates of the Fish and Wildlife Technology Advanced Diploma Program will receive 10 transfer credits as follows:

Assigned Credits
