

**ARTICULATION AGREEMENT  
BETWEEN  
THE SIR SANDFORD FLEMING COLLEGE OF APPLIED ARTS AND TECHNOLOGY  
AND  
ACADIA UNIVERSITY**

The objectives of this Agreement are to attract qualified students to The Sir Sandford Fleming College of Applied Arts and Technology (Fleming) and to Acadia University and to promote an easy and efficient transition of qualified transfer students from the Earth Resources Technician, Environmental Technician, Environmental Technology, or Ecosystem Management Technology programs at Fleming, to the Bachelor of Science (Geology or Environmental Science) degree program at Acadia University.

For this Agreement:

- “Parties” shall refer to both The Sir Sandford Fleming College of Applied Arts and Technology and Acadia University.
- “Party” shall refer to either The Sir Sandford Fleming College of Applied Arts and Technology or Acadia University.

**CONDITIONS**

The following are the conditions of this Agreement:

1. Fleming agrees to advise students of the provisions of this Agreement.
2. Acadia University agrees to accept applicants who have successfully completed the Earth Resources Technician program at Fleming with a B- average or higher as third-year students in the BSc (Geology) program at Acadia University.
3. Acadia University agrees to accept applicants who have successfully completed the Environmental Technician, Environmental Technology, or Ecosystem Management Technology program at Fleming with a B- average or higher into the BSc (Environmental Science) program at Acadia.
4. Acadia University agrees to award transfer credit(s) to students who have completed a minimum co-op required hours defined by Acadia as part of the Earth Resources Technician Co-op program at Fleming.
5. Transfer credit awarded by Acadia will not exceed Acadia’s Undergraduate Residency Requirement.

6. All applications to all programs of study are subject to assessment according to the institution's admissions procedures and criteria, which may be amended from time to time. All Acadia's programs of study are subject to enrolment limitations. Admission to any program of study will be at the sole discretion of Acadia, even where a candidate has satisfied all applicable admission and related requirements. Neither Party shall bear any responsibility for late, incomplete, or deficient admission applications.
7. At the request of either party, a review of the contents of this Agreement will be conducted by the two institutions.
8. The Agreement may only be altered or amended by the written consent of both parties.

#### **TERMS AND TERMINATION OF AGREEMENT**

1. This articulation agreement shall commence on the date it is signed by both parties and will continue for a five-year period.

If this Agreement is terminated, any transfer student from Fleming at Acadia University will be allowed to complete their program.

2. This Agreement is not intended to create or impose any liability of any type to any Party, and no liability will arise or be assumed between the Parties as a result of this Agreement. Each Party shall indemnify and save harmless the other Party from all costs, losses, damages, judgments, claims, demands, suits, actions, complaints or other proceedings in any manner based upon, occasioned by or attributable to anything done or omitted to be done by the Party or its directors, officers, employees, candidates, students or affiliates, under this Agreement. Nothing in this Agreement shall be construed to constitute the Parties as a partner, joint venturer, franchisee or franchisor, agent or representative of the other Party for any purpose whatsoever. Neither Party is authorized to enter into agreements for or on behalf of the other Party, make representations, or otherwise bind the other Party.
3. This Agreement shall endure to and be binding upon the Parties hereto, successors, and permitted assigns.

In Agreement to the above, both parties affix their signatures hereunto
