Through communication with program faculty and orientation sessions, students will be advised to consult academic advisors to ensure they are successfully completing program requirements.

### **3. TERMS AND CONDITIONS OF THE AGREEMENT**

- 3.1. Graduates of Fleming College's Biotechnology – Advanced Diploma program will be granted 7.0 credits toward a 20.0 credit Bachelor of Arts or Bachelor of Science Joint-Major Program in Forensic Science at Trent University.

3.2. Upon successful admission to Trent University, students are required to complete an additional 13.0 credits to meet degree requirements.

3.3. Students who have graduated from Fleming College’s Biotechnology – Advanced Diploma program who commenced studies since Fall 2019, will be awarded the full 7.0 transfer credits provided they meet admission requirements listed under Section 4 of this agreement. Students commencing studies prior to this term will be evaluated for transfer credits based on the previous version of this agreement, if applicable.

#### 4. **ADMISSION REQUIREMENTS**

6.1. Upon admission to the Bachelor of Science (Honours) or Bachelor of Arts (Honours) at Trent, students must satisfy all general education, graduation and major requirements as outlined in the University’s undergraduate calendar. If a student does not have the foundation or skills to enroll in an upper level course because of a lack of the appropriate introductory course(s), any necessary prerequisite course(s) will be required.

6.2. If a student transfers to a different degree program, all transfer credits outlined in this agreement may not apply to the new degree program. It is the student’s responsibility to consult an academic advisor, and to notify the Registrar’s Office of any program changes.

6.3. To satisfy the requirements of Trent’s Bachelor of Arts (Honours) or Bachelor of Science (Honours) Joint-Major Programs in Forensic Science, students will need to complete specific courses to meet program requirements in addition to the courses they have already been granted from Fleming College. Program requirements are subject to change annually and the Academic Calendar should be consulted for all degree requirements and regulations.
