I wish to inform you of recent program changes. Fleming is committed to promoting excellence in the development, design, delivery, and ongoing review of its academic programs. Upon examination of various factors, such as enrollment demographics and the financial sustainability of program delivery, several evidence-based decisions have been made and supported by the Board of Governors.

Fleming hereby notifies you that the **Ontario College Graduate Certificate in Food and Nutrition Management** is suspended, effective September 2023. The final cohort was admitted into the program in May 2023, and their scheduled graduation date is December 2023.
