

Sheridan

Memorandum of Understanding
Between the
Fitness and Health Promotion 2-Year Diploma (Ontario Colleges)
into
Honours Bachelor of Health Sciences - Kinesiology and Health Promotion
in Faculty of Applied Health and Community Studies (FAHCS)
at Sheridan College

Purpose

The purpose of this Memorandum of Understanding (MOU) is to acknowledge the collaboration between Publicly Assisted Ontario Colleges into Sheridan College programs. To facilitate the collaboration of the Fitness and Health Promotion – 2-year diploma into the Honours Bachelor of Health Sciences – Kinesiology and Health Promotion, this understanding will serve as an official agreement.

Objectives

The objectives of this agreement include, but are not limited to:

- Establishing a seamless admission/transfer process between the two programs which provides qualified students from Sheridan with a clearly defined option for continuing their education in a different program at Sheridan.
- Specifying the number of transfer credits earned based on specific courses completed in the (Sheridan program) at Sheridan.
- Specifying the number of transfer credits required to complete the (name of credential) at Sheridan.
- Ensuring and facilitating ongoing academic coordination and collaboration to maintain this agreement.

Ontario Colleges included as part of this agreement:

Algonquin College – Fitness and Health Promotion

George Brown – College – Fitness and Health Promotion

Boreal College – Promotion de l'activité physique et de la santé

Cambrian College – Fitness and Health Promotion

Centennial College – Fitness and Health Promotion

Conestoga College – Fitness and Health Promotion

Durham College – Fitness and Health Promotion

Fanshawe College – Fitness and Health Promotion

Fleming College - Fitness and Health Promotion

Georgian College – Fitness and Health Promotion

Humber College – Fitness and Health Promotion

Lambton College – Fitness and Health Promotion

Loyalist College – Fitness and Health Promotion

Mohawk College – Health, Wellness and Fitness

Niagara College – Fitness and Health Promotion

Sault College – Fitness and Health Promotion

Seneca College – Fitness and Health Promotion

St. Lawrence College – Fitness and Health Promotion

St. Clair College - Fitness and Health Promotion

Terms of the agreement

Admission will continue to be in accordance with the existing Sheridan admission criteria, policies, and procedures. Students who have completed the Fitness and Health Promotion 2-Year Diploma from and have achieved a cumulative GPA of 2.4 or greater (average C), will progress to Year 3 (Semester 5) into the Bachelor of Health Sciences – Kinesiology and Health Promotion, provided they have met the following:

Have enrolled in the Spring/Summer bridging program consisting of the following six courses:

BIOL25960: Human Systems Physiology

- **HEAL14049**: Introduction to Public Health
- **PHYG23672**: Growth, Development and Physical Activity
- **HEAL20172**: Ergonomics
- **PHYG27900**: Pathophysiology
- ENGL17899GD (mandatory English course)

Please Note: Degree Completion program begins in May only. The Spring/Summer bridging program will be delivered in two 7-week blocks (four out of five core courses will be delivered in a compressed format). Courses without pre-requisites or where pre-requisites have been fulfilled will remain on a 14-week schedule.
