

MEMORANDUM OF UNDERSTANDING

between

Sir Sandford Fleming College and Lakeland College

This Memorandum of Understanding constitutes an agreement between Lakeland College and Sir Sandford Fleming College. The participating units at the respective institutions are the School of Environmental and Natural Resource Sciences at Sir Sandford Fleming College and the School of Environmental Sciences at Lakeland College.

Objective of the Agreement

Graduates of Sir Sandford Fleming College's Terrain and Water Resources (three year) Technologist program meeting the admission requirements of Lakeland College's Bachelor of Applied Integrated Environmental Management program will be eligible for direct admission.

As a partner to this agreement, Sir Sandford Fleming College agrees:

- to make information about this agreement available to students enrolled in the Terrain and Water Resources (three year) Technologist program.
- to provide opportunity for representatives of Lakeland College to visit appropriate forums at Sir Sandford Fleming College to disseminate information about the Lakeland College Bachelor of Applied Integrated Environmental Management program.

As a partner to this agreement, Lakeland College agrees:

- to notify Sir Sandford Fleming College about any changes to the Bachelor of Applied Integrated Environmental Management program requirements that are anticipated or approved.

Liaison

Implementation of this agreement will be through the Registrar's Office at each institution, in consultation with the appropriate authorities in the respective Environmental programs.

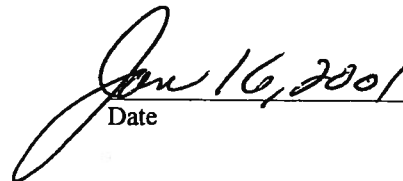

Terms of the Agreement

This agreement shall be in place for an initial period of three years, commencing January 1, 2001. At the end of this time, the agreement may be extended for an additional period of time subject to the review and approval of the President of Lakeland College.
