

Winter 2020 Professional Development Week

February 24 - 28, 2020

Sutherland and Frost Campuses

In light of Fleming's new Strategic and Academic Plans, this week of Professional Development for all faculty and staff members offers an opportunity to reconnect with colleagues across schools, departments, and campuses; find out more about current and upcoming initiatives across the institution; and engage in some personal and professional learning.

Monday February 24, 2020
