- Strong interpersonal skills
- Ability to relate effectively to a wide variety of learners
- Strong technical/computer skills and familiarity with educational technologies are required
- Teaching experience with hybrid and/or online delivery preferred
- Related industry work experience, previous college teaching experience and knowledge of curriculum design and student evaluations are assets

SPECIFIC QUALIFICATIONS
- Master's degree in Business
- Minimum 5 years recent and relevant experience
- An equivalent combination of education and/or experience may be considered; preference will be given to applicants meeting the education requirements
- Some of the following professional qualifications: PMP, Six Sigma Black Belt, IIBA, or CBAP is preferred
- Able to communicate with peers, project teams, clients, subordinates and senior management
- Experience in project planning/mentoring, life cycle, strategic/requirements analysis, design definition, and solution evaluation
- Proven abilities in project strategy/selection, structure/culture, definition risk management, leadership, and project closure, particularly in delivery of system upgrades or application development
- Superior communication, tam building, leadership and computer skills are expected
- Experience in online learning environments would be an asset

Approximate Start Date: August 17, 2020

Salary: Determination of starting salaries is based on relevant teaching/occupational experience and relevant formal qualifications, supported with original transcripts from granting institutions. The salary scale is $65,250 to $113,115 along with a comprehensive benefit package.

Partial load or full-time academic staff presently employed with the College will be given first consideration in accordance with the Academic Collective Agreement.

While transcripts are not required for the interview, they are mandatory prior to any offer of employment.

How to Apply:
For more information and how to apply, please visit the Fanshawe College website at:
