NOTE: Upon completion of a contract, a partial load employee may continue all benefits up to 6 months, if the College anticipates reemploying in the same status and providing they pay 100% of the premiums. If an employee is reemployed as a partial load within 6 months of the contract end, waiting periods are waived for benefits previously enrolled. This is a brief outline for your information. 8% PST to be added to all amounts to arrive at total cost of premiums. More details may be obtained from your insurance booklet OR by contacting the Human Resources Department.

* If you do not wish to participate in the Extended Health Care benefit, the enrolment form must be fully completed, including section 4 detailing coverage under another plan. Your signature is required for all benefits declined.
