

CAAT Pension Plan

Each year members of the CAAT Pension Plan (CAAT) receive an annual statement summarizing service credited, contributory earnings and an estimated pension.

This is a valuable tool to have on hand when planning your retirement. The information is used by CAAT to process your retirement pension. Errors on the statement should be immediately brought to the attention of the College's [Benefits Administrator](#).

CAAT has assembled an informative [website](#) for members with detailed information on:

- Normal Retirement
- Early Retirement:
 - 85 Factor
 - 60/20 Rule
 - Reduced
- Pension Estimator

Prior to finalizing any plans for retirement, please contact the [Benefits Administrator](#) to have your pension estimates confirmed.
