1.0 – Purpose

The purpose of this procedure (the “**Procedure**”) is to set out instructions for administering, developing, and ensuring compliance with mandatory, required, and recommended training and policy attestations for all employees of the College. The procedure ensures employees are adequately trained to meet legislative requirements, fulfill organizational needs, and foster professional growth.

2.0 – Definitions and Acronyms

Attestation: A formal acknowledgement or declaration by an employee confirming that they have read, understood, and agreed to comply with specified policies and/or training requirements.

Fleming Learn (D2L): The preferred single sign-on platform where mandatory training modules are hosted.

Mandatory Training: Training that is legislatively required for compliance with laws, regulations, and/or government directives.

Recommended Training: Training that is available for employees to support personal and professional development.

Required Training: Training deemed necessary by the College to ensure operational effectiveness, safety, and alignment with institutional goals.

Training Modules: Structured learning sessions, materials, and/or activities designed to convey specific knowledge or skills. These modules can be delivered online, in-person, or through a hybrid format.
