	Summary Details	Percentage %
4	<p>Property Operations & Key Management</p> <ul style="list-style-type: none"> • Executes processes related to semester move-in and move-out including student communications, keys, room inspections, cleaning and quality assurance. • Performs routine rounds of the residence buildings and create work orders to address any deficiencies. • Directs maintenance and repair work through the work order process. • Responsible for key inventory, quality control and maintaining the StarRez (Housing operating system) key database. 	25%
5	Other Duties As Assigned <i>(do not amend this section)</i>	5%

To calculate the relative percentage of time allocated to each cluster of key duties & responsibilities, remember to consider the total amount of hours this part-time position will normally work in a year.

For example:

An RPT position which normally works 24 hours per week for 10 months of the year would have approximately 960 annual hours (24 hrs/wk x 4 wks/month x 10 months). If this position is estimated to spend 5 hours per week completing a cluster of work associated with organizing and maintaining business files, you would allocate 20% to this function calculated as (5 hrs/wk x 4 wks/month x 10 months) divided by 960.

PART THREE:

COMPLEXITY

Describe the amount and **nature of analysis, problem-solving and reasoning** required to perform the core duties of the position. Provide up to two (2) examples in the space provided below of regular duties for this position. Answer the questions listed below in the Key Considerations section.

Example #1

Task / Activity
Organizing the major move-in of students (September).
Description
Long term project planning from move in to move out with a variety of start dates as processes occur concurrently. Must coordinate the offers, maintain waitlist, and process fees.
For move-in, incumbent must have a good knowledge of the significant amount of materials needed and have said materials ready (inspection forms, keys, KeyScan cards, files, signage, etc) and have rooms assigned and all details organized before students arrive. Notes for any outstanding amounts must be in student file and funds must be collected prior to move-in. Each resident must have their one card access confirmed and steel keys issued ensuring there are no errors through a quality assurance process.
The incumbent will coordinate the physical preparation of the student bedrooms to ensure cleaning and work orders are complete to a high-standard. This includes providing training to other staff to complete the work and a physical walk-through of all spaces. This required the incumbent to create standard operating procedures and checklists to ensure quality.

Example #2

Task / Activity
Coordinates the collection and tracking of fees and student campus service accounts that includes residence, food and campus service fees, deposits, and other funds.
Description
Incumbent must have a thorough knowledge of fee payment deadlines, external funding guidelines, and accounting principles.
Current and accurate financial information needs to be tracked in order to ensure all charges have been loaded, payments have been received, fees correctly allocated and the student account is accurate.
Project management skills are required to establish outcomes, milestones, key dates and required resources in a timely fashion to ensure a positive student experience and satisfaction with administrative services.
Upon withdrawal of services, the incumbent must process refunds coordinating work with the Registrar's Office and finance to credit the student's account correctly and in a timely manner.

Key Considerations:

With respect to the examples above and the regular duties associated with this position's core functions, please answer the following questions:

Fleming College

Is the work considered to be routine/non-routine?

Routine

How would you describe the complexity of the work?

Some duties are varied and complex.

Describe the business processes used by the position.

Processes are different and unrelated.

JUDGMENT

Describe the degree of independent judgment and problem-solving required to perform the duties of the position. Provide up to two (2) examples in the space provided below of regular duties for this position. Answer the questions listed below in the Key Considerations section.

Example #1

Task / Activity

Coordinates the residence application process for the upcoming Fall/Winter intake working the Housing Services team.

Description

This work requires the incumbent to develop a residence application timeline with key milestones, payment dates, and communications that integrates with both residence operations and the academic application process. The work includes designing a student-centric portal, monitoring applications, processing payments, sending room offers, managing acceptances and room placement. As rooms are accepted, the work shifts to managing occupancy taking into consideration gender, accommodation/accessibility requests, students profiles and roommate requests.

Example #2
