Always edit your Auto-Captions to increase clarity, improve viewers' comprehension, and provide equitable access.

How to Edit your Auto-Captions

1. Login to your professional / departmental YouTube account. Do not host videos on your personal or family accounts.
2. Once you have uploaded your video, give YouTube a few minutes to apply auto-captions

3. Go to your Video Manager
4. Click the *Edit* drop-down menu next to the video and Select *Subtitles and CC*

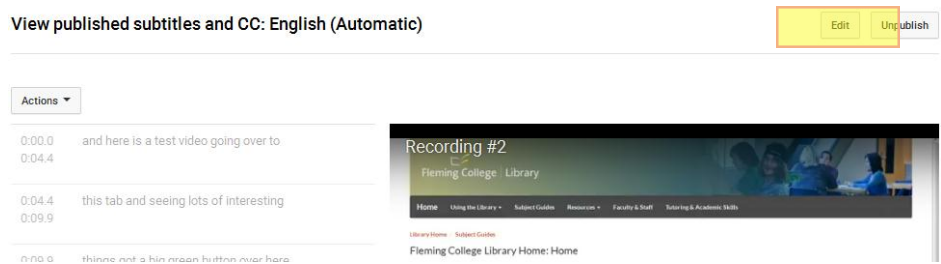

5. Click on the bar that says:
 - o *English (Automatic)*

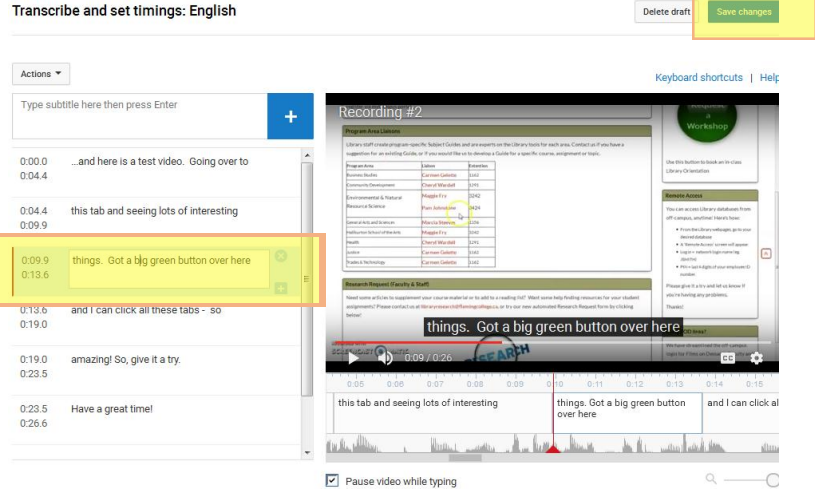

Answers: A5, B3, C4, D1, E2

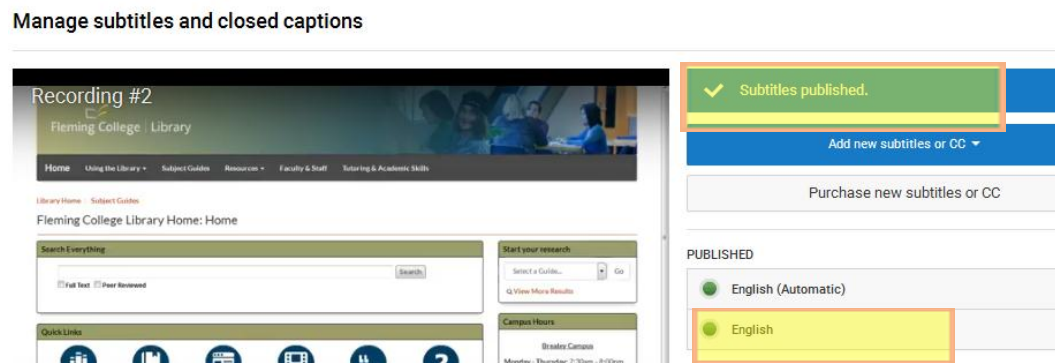

6. Click *Edit*

7. Click inside any line in the caption track panel and edit the text
8. You can play the video while you type; it will pause for you
9. When you are done, Click *Save changes*

10. You will see the confirmation message. Notice that a new audio track has been created
11. Remember to test your video and make sure the new captions are displaying for your viewers

Other Captioning Options:

- You can upload a transcript and adjust timings
- You can just listen to your video and type along with it. Video will pause playing while you are typing.
