

## Annual Tuberculin Skin Testing (Mantoux)

As a returning student, if your placement occurs within a healthcare setting, a yearly one-step TB test is required. If your placement occurs outside of a healthcare setting, the need for an additional one-step test will be determined by your placement agency. Be sure that your TB test result (amount of induration) is measured in mm, "positive" or "negative" is not sufficient.

Student Name (please print): \_\_\_\_\_ Birth Date: (mm/dd/yyyy) \_\_\_\_\_

Program: \_\_\_\_\_ Student Number: \_\_\_\_\_

### Record Date of Annual One-Step TB Test Below:

Date: Step #1	Date read:	Results in mm:
If Mantoux Positive: Chest x-ray required		
Chest x-ray required if Mantoux "Positive" Date of x-ray:	Result (include copy):	

Health Care Provider Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Student Signature: \_\_\_\_\_ Date: \_\_\_\_\_
