## **Student Declaration of Understanding Workplace Safety and Insurance Board or Private Insurance Coverage Students on Unpaid Work Placements**

### **Student coverage while on placement**

The government of Ontario, through the Ministry of Colleges and Universities (MCU), reimburses WSIB for the cost of benefits it pays to Student Trainees enrolled in an approved program at a Training Agency (college). Ontario students are eligible for Workplace Safety Insurance Board (WSIB) coverage while on unpaid work placements as required by their program of study. MCU also provides private insurance to students should their unpaid placement required by their program of study take place with an employer who is not covered under the Workplace Safety and Insurance Act.

Furthermore, MCU provides limited private insurance coverage for students in Ontario publicly supported postsecondary programs whose unpaid work placements are arranged by their postsecondary institution to take place outside of Ontario (international and other Canadian jurisdictions).

### **Declaration**

I have read and understand that WSIB or private insurance coverage will be provided through the Ministry of Colleges and Universities while I am on unpaid work placements as arranged by the college as a requirement of my program of study.

I understand the implications and have had any questions answered to my satisfaction. I agree to immediately report any placement related injury or disease to the placement employer.

### **Release of Information**

I understand that my personal information will be released to the placement employer in the event of a workplace injury or disease at the placement employer's workplace during an unpaid placement.

I understand that the Ministry of Colleges and Universities, the college and placement employer will be required to release relevant personal information with each other and to the WSIB/Private Insurance.
