

**SIR SANDFORD FLEMING COLLEGE
POLICY MANUAL**

POLICY NO. 4-402	APPROVED BY: BOARD OF GOVERNORS
PAGE NO. 1 OF 1	SUPERCEDES:
DATE APPROVED: March 8, 1995	
SUBJECT: COMMUNITY USE OF COLLEGE FACILITIES	

The College recognizes it has an obligation to promote the use of its facilities by individuals and groups in the community. Facilities which have been provided to the College for educational purposes are not to be used for activities which cause unfair competition to private enterprise or other agencies offering equivalent facilities or services.

Procedures and rates for community use of the College's facilities will be reviewed and revised, where necessary, and shall ensure:

- that College educational programs have priority over any other potential user of College facilities
- rental and service rates adequately cover all additional expenses incurred and will generally be in line with rates charged by other educational institutions
- that the College property is protected through the use of a rental agreement form stipulating conditions for use of College facilities
- positions with authority to book facilities and waive or reduce rates are identified

PROCEDURE: COMMUNITY USE OF COLLEGE FACILITIES 4-402

Reviewed February 2006

The following procedures apply to community use of all College facilities. The Director of Facilities or their designate, are responsible for the administration of this procedure.

1.0 GENERAL

1.1 The College reserves the right to refuse to rent facilities.

1.2 Every applicant for use of College facilities will submit a signed Rental Agreement form and receive approval from the Director of Finance or their designate.

1.2a The positions listed in 1.2 specifically have the right to waive fees for registered charitable organizations. The number of times fees waived should be limited. If there are identifiable, incremental costs involved, the charitable organization should be charged for these (for example, cleaning up after a Christmas party).

1.3 Use of the College's facilities shall be restricted to those parts of the College designated by the approved application.

1.4 Facilities will not be rented to outside groups who hold events advertised to the general public. Exceptions will be vetted through Director, College Facilities or their designate.

1.5 College facilities may not be used for the purposes of gambling.

1.6 Absolutely no liquor shall be allowed in the College buildings or on the College grounds except through the Liquor License held by the College, or by special permit agreed to by the College.

1.7 Non-College equipment will be stored only if space can be made available without interfering with the regular operation of the College. The College assumes no liability for such equipment.

1.8 Under no circumstances are College kitchens available for use by outside organizations. Any applicant requiring catering should discuss such requirements with the College caterer.

1.9 User organizations are to provide adequate supervision for the activity. A contact person must be in attendance.

1.10 For use of College audio visual equipment, a separate and direct application to the Audio Visual Department is required.

1.11 Parties renting the facilities are urged to purchase liability insurance coverage for the protection of the organization and its members.

1.12 For use of the College computer facilities, a separate and direct application to the Academic Computing Centre is required.

1.13 **Political Activity on Campus** - There is to be no campaigning on the campus. During the period between calling an election and the election day any activity by candidates or party representatives would be considered campaigning. We do permit candidates and their supporters to be at the entrance of our buildings, handing out materials etc. We also encourage all candidates forums in partnership with our student associations. All candidates who are on the ballot are to be invited to these forums. Any requests by candidates or their representatives are to be referred to the Vice President of Finance & Facilities or the campus leader.

The provincial government has specific guidelines for acceptable and unacceptable activities for Crown agency employees during a federal election. They can be found on these pages: [Election1](#) [Election2](#)
