The screenshot displays a web interface for managing a course outline. At the top left, there is a search bar labeled "Search Topics" with a magnifying glass icon. The main header is "Course Outline" with a dropdown arrow. In the top right corner, there are "Print" and "Settings" icons. A left-hand navigation menu contains "Course Overview", "Bookmarks", "Upcoming Events", and "Table of Contents". The "Table of Contents" section is expanded, showing "Course Outline" as the selected item. Below the navigation, there are buttons for "New", "Add Activities", and "Bulk Edit". A dashed box contains the instruction "Drag and drop files here to create and update topics". A success message is displayed in the center: "You've successfully added your course outline link to your course page." Below this message is a text input field labeled "Add a sub-module...".
