

Welcome to Fleming – Sutherland Campus!

This may be your first time teaching at Fleming or perhaps you are rejoining us. There are always a lot of new things going on and we want to provide you with information you may need to get you off to a successful start.

The offerings outlined below are focused on the essential areas that will enable you to hit the ground running in your new role. These sessions are strongly recommended for all new faculty and we strongly encourage all faculty hired in the past year to participate if you haven't already. You will be paid at the current meeting rate for your confirmed attendance. An Exception Report will be handed out at the Workshop that will need to be completed in order to receive compensation.
