

**Municipality of Strathroy-Caradoc
Water Distribution System OIT
\$14.37/hour
Environmental Services Department
(May 1, 2017 – September 1, 2017)**

The Municipality of Strathroy-Caradoc is looking for two CO-OP students to assist with the Strathroy and Mount Brydges Water Distribution Systems. Duties will include sample collection/delivery, assistance during construction projects, fire hydrant maintenance, facility maintenance, and may include additional duties as required. The candidates may also receive some exposure to the Mount Brydges and Strathroy Wastewater Treatment and Collection System.

QUALIFICATIONS

The ideal candidate(s) would be enrolled in a College or University CO-OP Program where the experience would relate to the course program. An Operator-In-Training Certificate from the Ministry of Environment is required in order to perform the job duties and allow the candidate to obtain experience towards licensing. The candidate(s) should be returning to school after the work term. A valid Class G Drivers License is also required.

On completion of interview process, applicants chosen for further consideration will be required to provide a Police Background Check and a Driver's Abstract before being employed by the Municipality.

Please e-mail resumes to the attention prior to February 21st, 2017 @ 4:30 pm

Mark Harris

Director of Environmental Services
