Open House

The **Fall Open House** at Fleming College will be taking place November 9th, 10 – 1 pm. The agenda for the day can be found [here](#).

It's like the Survivor meets the Amazing Race! The **First Annual Frost Games** is all about settling rivalries and creating new connections between programs. Every program on campus has a good argument for why their program is the best program on campus. The Frost Games will help settle this debate with a day of competition that will establish a clear champion among programs and build bonds between students from different programs. Participants will be in mixed teams of students from different programs and different semesters who will compete in events that will require them to have great ID, navigation, communication, and problem-solving skills. They will have to work together as a team to achieve the best team score. Awards will be given to both the best team and best program. Watch the action on November 9th as we add to the buzz on campus during the fall open house! Contact Josh Feltham at josh.feltham@flemingcollege.ca for more information!

Jean Bunn, Nancy Rodman and Sherry Sutton have officially retired from the Frost Campus! Nancy and Jean are pictured (right) from their retirement celebration on October 23.
