

SENRS NEWS

Keeping you up to date

ISSUE 4 | DECEMBER 2019

Message from the Dean, Brett Goodwin

As the Fall 2019 semester wraps up, I wanted to take a moment to thank you all for your hard work this semester. I very much appreciate the dedication you have all shown to providing our students with the very best education that we can provide. You make SENRS such a special place and it has been a pleasure, once again, to work with you all this semester.

I know the work that you do is hard and can take a lot out of you. I once heard the semester described as a train that once it leaves the station on day 1 it doesn't stop until final grades are entered (speaking of which, don't forget to get those final grades entered before noon on Tuesday). I hope the upcoming holiday break is a time for you to relax, recharge, and renew.

Have a safe and happy holiday season.

Staffing Announcements

Please welcome **Shaun Shepherd** as our new faculty to the Earth Resources Technician Co-op (ERT) Program. Shaun is a previous graduate of the Resources Drilling and Blasting program and the Geological Technician program (now ERT) and has been working as a technician in the fields of geotechnical and materials engineering, and hydrogeology, since 2007. Shaun has been involved in construction and investigation projects in Ontario, Nunavut, Quebec, and British Columbia, and now is excited to be welcomed back to Fleming as a professor in the ERT program. He is eager to contribute his experience to the program and the students, as we implement new methods and technology that are emerging in the industry.

The Campus Recreation Coordinator/Frost Campus role held by **Michlynne Short** has been enhanced and is now titled Student Engagement and Recreation Coordinator/Frost Campus. Michlynne's updated role includes coordinating support for Welcome Days and Orientation programming in addition to Intramural/Extramural programming and will play an equally important role to support the experience of our students and programming at the Frost Campus. Michlynne has been working with Athletics since 2008 and has previous experience working with Student Life.

Please be advised that **Rob Monico** has moved into the role as the Frost Sustainability Coordinator, as of November 25. Rob has held progressive roles within the Office of Sustainability at Sutherland Campus since 2016 as a student worker, a CICan Intern, and most recently, as a Sustainable Projects Coordinator. Rob is a graduate of the Ecological Restoration Degree/Diploma program between Fleming and Trent, and during his time at Frost, served as a Board member with the Frost Student Association. Rob is also a graduate of Fleming's Project Management program and is currently completing his Master's in Sustainability at Trent University. With a strong background in environmental science, sustainability and project management, Rob will be a great addition to the Frost Campus.

December
&
January

17

Grades due by 12:00 pm!

19

Brown Bag Lunch is cancelled – please stay tuned for upcoming dates in the New Year.

23

College Closed for the Holidays – enjoy!

02

SENRS Alumni

Are you a staff member who is a grad? Let us know and add you're name to growing list of alumni who work at the Frost Campus. E-mail paula.walton@flemingcollege.ca to be added to the list (found at the bottom of the webpage [here](#)).

On behalf of the Frost Campus Social Committee, thank you to everyone who participated in the **First Annual Door Decorating Competition!** We had 23 doors enter the competition and close to 170 votes! Congratulations to our winners:

- #1 – Lisa Kraemer
- #2 – Cyndy Broughton & Erin McGauley
- #3 – Charmaine Magumbe

Be sure to stay up-to-date on upcoming social committee events by visiting our webpage [here](#).

The Winning Door!

A reminder that **course outlines** for the winter semester are due now! Please contact Adele Russell (adele.russell@flemingcollege.ca) if you have any questions.

Teaching and Learning Boot Camp Level 1

At this interactive session, you'll learn some teaching tips for the first days and weeks of class. We'll discuss how to set positive expectations for learning; promote engagement through classroom management; plan and deliver effective and engaging lessons and get started with D2L. Although this session is targeted to new faculty, **all are welcome**. No registration is required.

Frost Campus: Friday, January 3rd, 10:00 a.m. - 12:00 p.m. in Room 104

Get It Together!

New and returning faculty are invited to drop in to get your questions answered and meet colleagues who can help with D2L, Turn It In, teaching & learning, assessment, accessible learning materials, library services, etc. No registration is required.

Frost Campus: Friday, January 3rd, 1:30 – 4:00 p.m. in the Learning Commons
