Policy Statement

The grounds of Fleming College are private property including all parking areas, parklands, roads and pathways.

The College reserves the right to control parking and traffic on the campus, to prohibit access to any vehicle and to restrict parking or driving privileges at any time, in any parking lot, for emergencies, construction or other operational purposes.

Fleming College has no legal obligation to provide parking accommodations and assumes no responsibility for any damage or loss of a vehicle or its contents.

In general, the regulations for safe operation of a vehicle as described in the *Highway Traffic Act of Ontario* shall be the guidelines for safe operation of a vehicle on Fleming College property.

All persons operating a motor vehicle on campus are required to have a valid driver's license and liability insurance for their vehicle.

Purpose

This policy will provide clear direction and regulation for the safe and orderly movement and parking of vehicles at all Fleming College Campuses.

Scope

This policy shall apply to all students, employees, third party contractors and visitors to all Fleming College Campuses.

General Principles

This policy and associated regulations will be based on the following three principles:

1. Promoting the safe movement of vehicles through and around campus and providing safe and welcoming parking areas for students, employees and visitors.

2. The fair application and enforcement of this policy and any of the associated regulations or procedures.
3. Parking shall be operated as an ancillary service which generates sufficient revenue for operational costs, capital investments and a reasonable contribution to the College for overhead costs related to administrative support.
