

SR&R: Reporting Options

a student feels that their rights have been violated OR feels that another student has violated their responsibilities

is this an emergency?

yes

call 911 for emergency services or 4444 for campus security

no

know your reporting options:

Formal Report

Informal Report

The student would like the College to investigate the situation

The student would like the situation to be documented, but no action to be taken.

When the investigation is complete, a determination will be made.

Coaching & support on managing the issue independently

Alternative Dispute Resolution options given to student(s).

Sanctions are possible, based on outcome.

Note: If the student's concern is about a grade, faculty member, or academic courses, please refer to the Academic Issue Resolution Process
